*Helping Indiana's Homeless, Ill, and
Hospitalized US Veterans*

Keith Krider, State Chair
ElksVeteransIN@gmail.com

The Elks National Veterans Service Commission was established in 1946, immediately after World War II, with the sole mission of serving our nation's veterans. Though much has changed since then, the Elks' dedication to serve veterans and military members in need has never wavered. In VA clinics, veterans' homes, USOs, homeless shelters and more, thousands of Elks volunteers give generously of their time, energy and resources to serve veterans and military members each year.

The Elks are committed to their mission, "So long as there are veterans, the Benevolent and Protective Order of Elks will never forget them." The Veterans Service Commission takes that pledge one step further and promises service to our nation's veterans and military members, with a special focus on service to those in need.
